Masters Series Rules 2012

Try Before You Buy! UKI Registration Details

TBYB will allow you to enter your first UKI trial and pay for that Entry either online or by sending a check, and if after your first UKI trial, you would like to keep your membership with UKI, payment for registration will be due 7 working days after that trial. You will then be sent your registration documents, including your rule and record books. **The competitor must first create an account, through our web page (or by paper registration)** and must notify us by emailing info@ukagilityinternational.com of their wish to do a TBYB. This means they will not have to pay immediately for their membership with UKI, or at all should they decide not to enter any other shows and do not want to keep any points they earned towards their titles. If the TBYB is submitted using paper registration, the UKI office will create an account for you. When registration is due, the amount will be charged at the higher paper registration fee (\$15 handler membership and \$15 dog membership). An online account cannot then be created later by the competitor for the discounted online fee. Therefore, it is in the competitor's best interest to create an ONLINE account in the first place so when the competitor decides to keep their membership, they will have received the (\$12 handler membership fee and the \$12 dog membership fee.
